As three years of hard work, fun, and new friendships draw to a close, the Senior class looks back upon them as years full of memories.

Homecoming, with the election of royalty, began the year's social activities. This was the first of many events to be added to their collection of memories.

With graduation close at hand Seniors work hard to maintain their grade averages. College day was held for those who were planning future educations, while business opportunities were offered to others.

Activities supplied a twofold purpose for our Seniors. Friendships were developed through clubs while speaking experiences were gained through such performances as the Senior Class Play, Class Night, and the Varsity Show.

The month of May provided a full calendar of events to precede the night of graduation. Track, baseball, tennis, and golf close the athletic season as the Prom culminated the year's social activities.

As the Seniors stand in line to receive their diplomas they look back in retrospect upon their years at R.I.S.H. as years full of accomplishment and hard work.

SOPHOMORES

In the fall of 1960, 642 sophomores joined the student body of Rock Island Senior High. Their new life began remembering locker combinations, finding rooms, meeting new faces and learning to keep their toys off the steps.

It wasn't long before strange halls and faces became familiar. Sophomore cheerleaders were elected to cheer the Pebbles' athletic events. Club activities, dances and plays appeared on their social calendars. In Sophomore Problems counselors tried to help the new students plan their future in a way that would be most beneficial to them.

As spring approached with its promise of vacation, sophomores looked back on a year of new experiences, failures and successes, and looked forward to new dreams, hopes and ambitions.

Earl H. Hanson,
Superintendent of Rock Island Public Schools

The administration and school board are responsible for the policies and decisions of Rock Island High School. They are the ones who make possible the wonderful opportunities afforded to the Rocky students. Through their efforts in obtaining our new field house, they have made our school one of the finest in the state. They also hire teachers and provide funds for further expansion.

The faculty has more contact with the students than does the school board. Through the understanding, patience, and wisdom of these instructors, the basic skills are imbedded in the m i n d s of every boy and girl. Through their tireless effort, they help many students with extracurricular projects.

The Rock Island City Board of Education check over one of the many reports sent in about the city's public schools. **Standing** are Max Larson, Ted Arnold, Virgil Helms, C. W. Motz and William Bell. **Sitting** are Earl Hanson, and Junius Califf.

ACTIVE CABINET GUIDES AN ACTIVE CLUB

Anne Marie Malé of France learns of Y-Teen activities from Carole Bolyard. Anne is an honorary member of the club and cabinet.

One of the most active clubs at Rocky is Y-Teens, which this year was divided into the Sophomore Club and the Junior-Senior Club. To open a busy year was the Big Sister-Little Sister party. In November was held the famous Penny Carnival, where there were games, a jail, and a kissing booth for only a few cents.

Y-Teens is responsible for two of the most impressive and beautiful services — the Hanging of the Greens at Christmas time and the Lenten Services at Easter. They also sponsor two dances — the Sweetheart Swirl and the A.F.S. dance, the proceeds of which go to sponsor our foreign exchange students.

ACTIVITIES FOR ALL INTERESTS IN Y-TEENS

The traditional Christmas Tree is receiving finishing touches by Y-teeners Sue Priebe, Karen Haberthur and Karen Karman.

Sue Priebe, Judy Bullock and Salli Watts add a colorful wreath "Hanging of the Greens."

International personality Ella Jenkins asks the aid of Charlotte Frick and Pam Bartels in demonstrating rhythm techniques.

A CAREER IN NURSING- THE AIM OF FUTURE NURSES

The purpose of Future Nurses Association is to promote interest in the nursing profession and other medical careers. The sponsor of F.N.A. is Miss Bacon, school nurse. Besides creating interest in nursing, the club also sold book covers at the beginning of each semester and helped sell T. B. seals. At the meeting, held every third Wednesday of the month, interesting lectures were given.

YOUTH FORUM DISCUSSES CURRENT AFFAIRS

All of Rocky's students that took an active interest in social studies were urged to join Youth Forum.

Youth Forum usually met on the third Tuesday of each month. Its meetings consisted of lectures, films, and discussions of problems affecting the world, state, community, or city. Most teachers of the social studies department gave students extra credit for attendance at these meetings.

Throughout the year Mr. Armstrong and Mr. Hegg, the co-sponsors, met with the officers to try and plan meetings that would be of interest to the students.

Exchange of i d e a s is the purpose and the pleasure of Youth Forum members, shown here paying attention to the after school program.

GIRLS' ATHLETIC ASSOCIATION . . . .

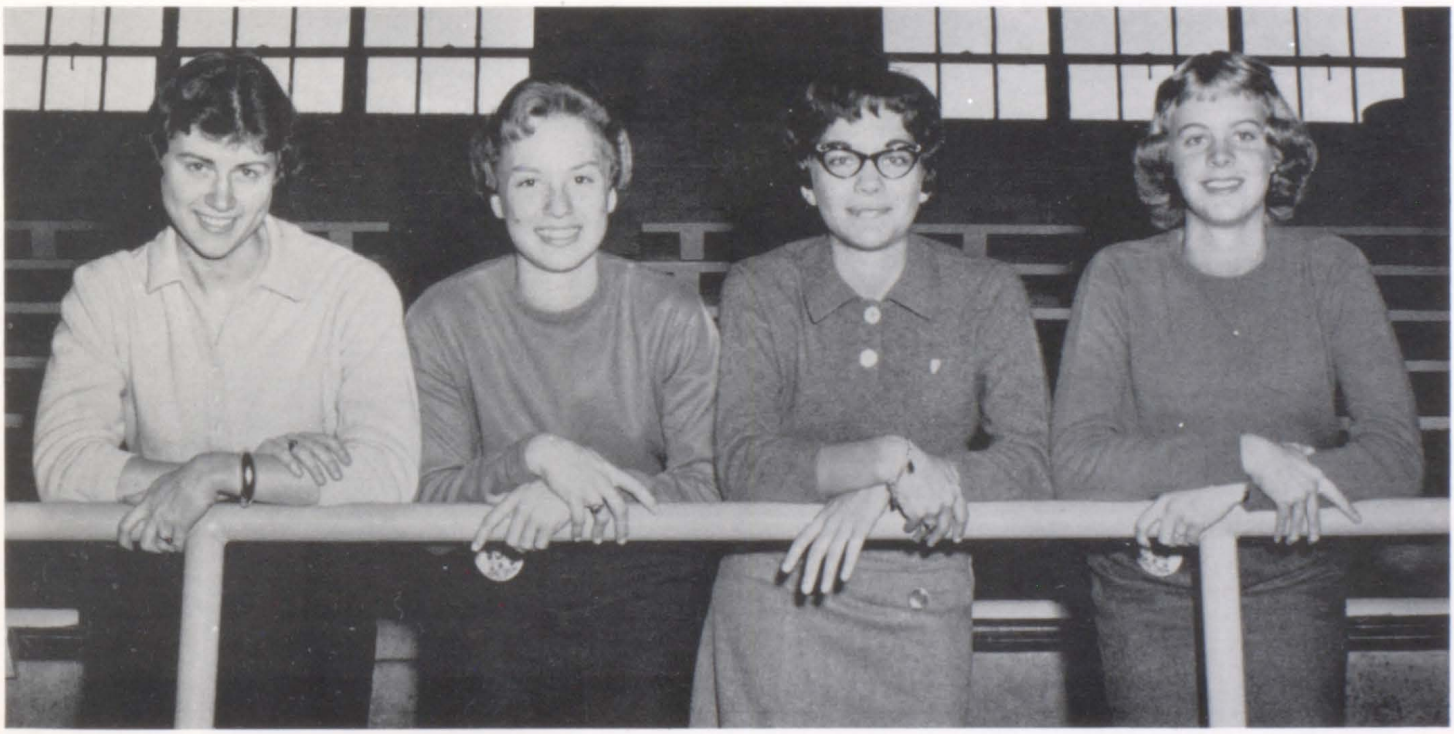

Paint and paper take on glamour as girls combine efforts to prepare the Girls Gym for the Homecoming dance during gym classes in the lower gym.

A variety of fun and entertainment is the theme of G.A.A. Decorating the halls and gym for Homecoming is always one of the biggest projects of the year for the girls. This year the theme of Homecoming was "Pumpkin Paradise."

Under the leadership of Mrs. Pierce, Miss LaMere, Mrs. Brent, and Miss Chambers, the club, which met on the third Tuesday of every month, always offered some memorable event. No girl could ever forget the fun-packed track meet or the pizza and splash parties.

Perhaps the highlight of the G.A.A. year was the annual slumber party, held in the girls' gym. Although there was very little slumber, much fun was had by all. There were volleyball games, bushels of food, and a midnight program.

G. A. A., FOR SPORTS, FUN AND FELLOWSHIP

G. A. A. officers, **President,** Linda Moore; **Vice-President,** Issy Matteson; **Secretary,** Gail Davidson; and **Treasurer,** Kathy Andrews look over their domain, the girls' gym.

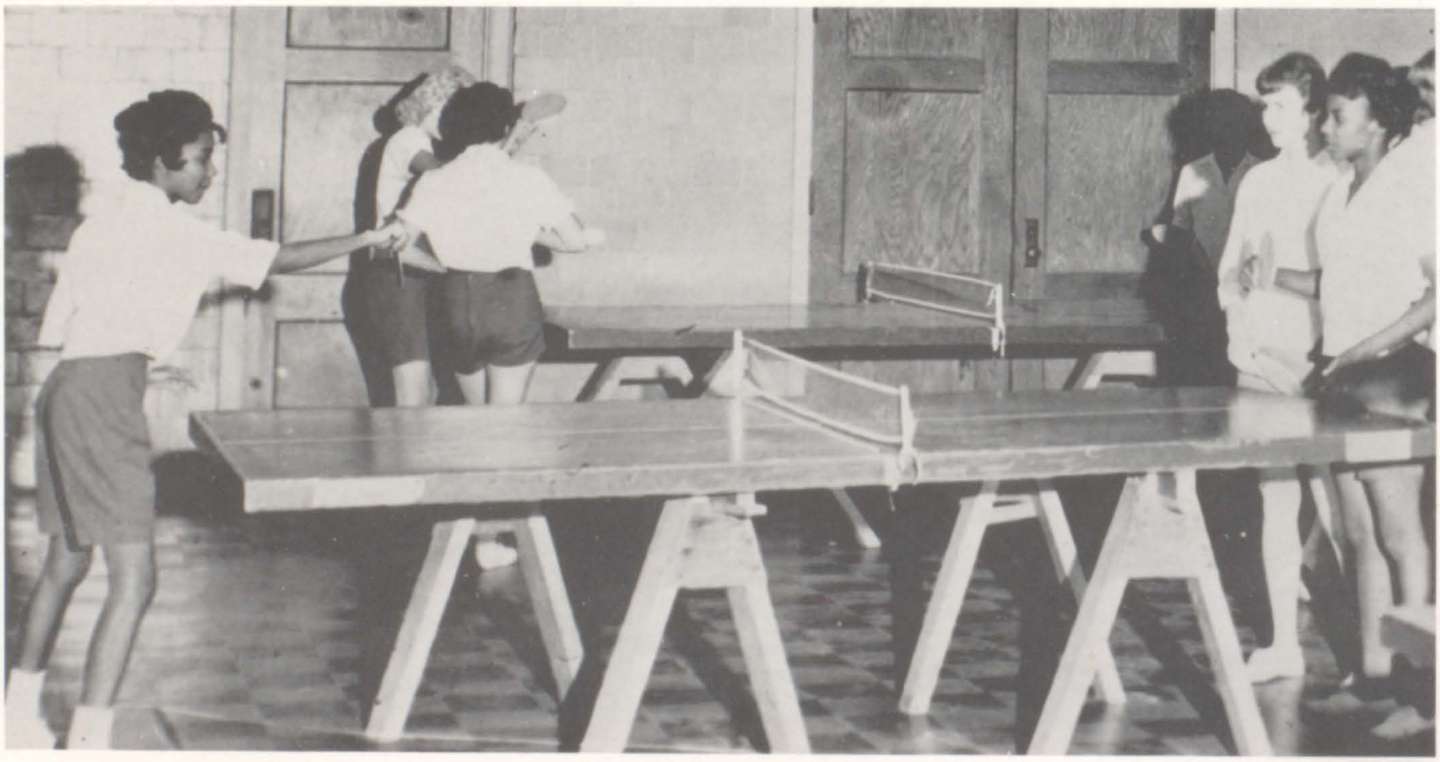

Discussing plans for the next G.A.A. meeting are cabinet members Linda Soyke, Doris Pfaff, Phyllis Vandekerckhove and Betsy Larson.

Several activities unique to G.A.A. are The Pa and Me Party in March, The Mother and Daughter banquet and the campout held in May. None of these activities would have been possible without the cabinet which is formed from the various sports captains and officers.

A new point system started this year in G.A.A. A member had to have earned 24 points before she could become a member of the club. This greatly cut the membership which is down to only 100 girls. One advantage to this new system was that every girl who joined was greatly interested in the club.

FUN, FRIENDSHIP, GOOD-SPORTSMANSHIP ARE FOUND IN G.A.A.

Darlene Christensen watches closely an intramurals ping-pong match between Marilyn Jones and Charlene Nelson.

A record is blaring, girls are dancing and gossip is flying at the annual G.A.A. Slumber party, held in the girls' gym.

SLUMBER PARTY KEEPS EVERYONE AWAKE

Being able to keep track of your own pillow and blanket is an achievement among the confusion.

Hi-Y officers worked hard to make their club one of Rocky's best. They are; **Sergeant at Arms,** Steve Urie; **Vice-President,** John Schmact; **President,** Bob White; **Chaplain,** Bob Baron; **Treasurer,** Rick MacMillan and **Secretary,** Terry Baltzer.

HI-Y AIDS COMMUNITY

Dale Holmgren, Hi-Y sponsor, helps in the selection of the records for the Y-Canteen Saturday dances.

In its efforts to show a better understanding of Christian work and living, the Boys' Hi-Y held cultural as well as social meetings once each month at the Rock Island Y.M.C.A.

At each meeting there was a short business session and some form of entertainment. This included movies, stunts, and special speakers.

One of the highlights of this year was the annual "camp out." The camp out holds special memories for all the Hi-Y members.

There were many trips to the East Moline Hospital where the members helped to entertain the patients with games and refreshments. This is one of the most outstanding projects of the Hi-Y.

Traditionally this club sponsors a queen candidate for the Kiwannis Karnival each year.

One of the most entertaining activities is Y-Canteen, of which the organization was host each Saturday night.

Also the Hi-Y, in co-operation with the Y-Teens, took an active part in planning the Lenten services which were held every morning before school during Easter week.

A man of many tricks is this Magician who entertained the boys' Hi-Y at one of their Tuesday night meetings. John Schmact, Ron Elliot, Leonard, the magician; Kenny Pippert, Bill Sutton.

IN SERVICE

Democratic procedures are put into practice at business sessions of the boys' Hi-Y held in a lounge of the YMCA.

PAN AMERICAN LEAGUE

Pan-American League cabinet members Karalee Cook, Alberta Tolson, and David Poffenbarger try out equipment in the new language laboratory.

PROVIDES SOUTH OF THE BORDER ATMOSPHERE

Attentively listening to their teacher, Mr. Blomberg, are the fourth year Spanish students: Linda Riddell, Sheila Andich, Ida Thorton, Julie Lindley, Mary Miller, Tony Sangster, Maryann Ruud, Mary Sears, Jane Aikin, Margaret Mayne, Carol Frink, Ave Greenberg, Pamela Buller, and Jackie Kropen. Missing are Judy Munn, Maureen Valentine, Judy Hobson, Don Motz, Anne Marie Malé, and Amber Pederson.

ACTIVITIES CLIMAXED BY PINATA PARTY

In festive spirits the Pan American League celebrates its annual Pinata Party with Spanish Christmas carols and prizes inside the pinatas for everyone. The students learn the carols in their Spanish classes and chant them while small groups gather around the blindfolded person who breaks the beautiful pinata, which spills out candy and small favors.

Joseph Scheuerman swings the piñata for Judith Erwin at the annual event.

Ken Cowan appears to be getting more than his share of the "goodies" from the broken pinata.

Throughout the year, the members of Camera club joined with the members of the other science clubs to provide Rocky's school activities and athletic programs with concession stands.

The members, under the sponsorship of Mr. George McMasters, also took pictures for the "Crimson Crier" and the **Watchtower.**

The club was offered to all students who had an interest in photography.

OFF STUDENT TALENT

This year's dramatic club began its years activities with the annual Dramatic Club play. The play was presented on November 18th under the direction of the club sponsor, Miss Dorothy Peterson.

Other activities included skits put on by some of the members for entertainment at the monthly meetings and viewing the slides of Miss Peterson's trip in Europe.

The club's membership consists of one hundred students who are interested in speech and drama work. The members are chosen by "Miss Pete" after the organizations assembly has been presented and everyone has had a chance to sign up.

Dramatic Club officers posing for the camera are **President,** Steve Baxter; **Treasurer,** Isabel Matteson; **Secretary,** Carole Bolyard; **Vice-President,** Mike McBride.

Electronics Club, under the sponsorship of Mr. McMasters, meets on the second Thursday of every month. This club is one of specialized interest, and for that reason the membership is very small. This year there were only seventeen members.

In general the club learns codes and studies the theory of radio. This year they have put together several types of instruments.

The members of the club also work in the concession stand at home football and basketball games.

"Follow the trail of history" is the directive given to the members of Blackhawk Tribe. This organization is not a band of Indians but a group of students eager to learn more about the world in the past tense. They study state and national history with an emphasis on the local past. Promoting interest in the "Junior Historian" is another interest of the club.

The special project this year is to study Rock Island's role in the Civil War. The national election is the subject for a meeting with Youth Forum, and a speaker is invited to talk on recent discoveries in Indian life.

LETTERMEN PROMOTE SCHOOL

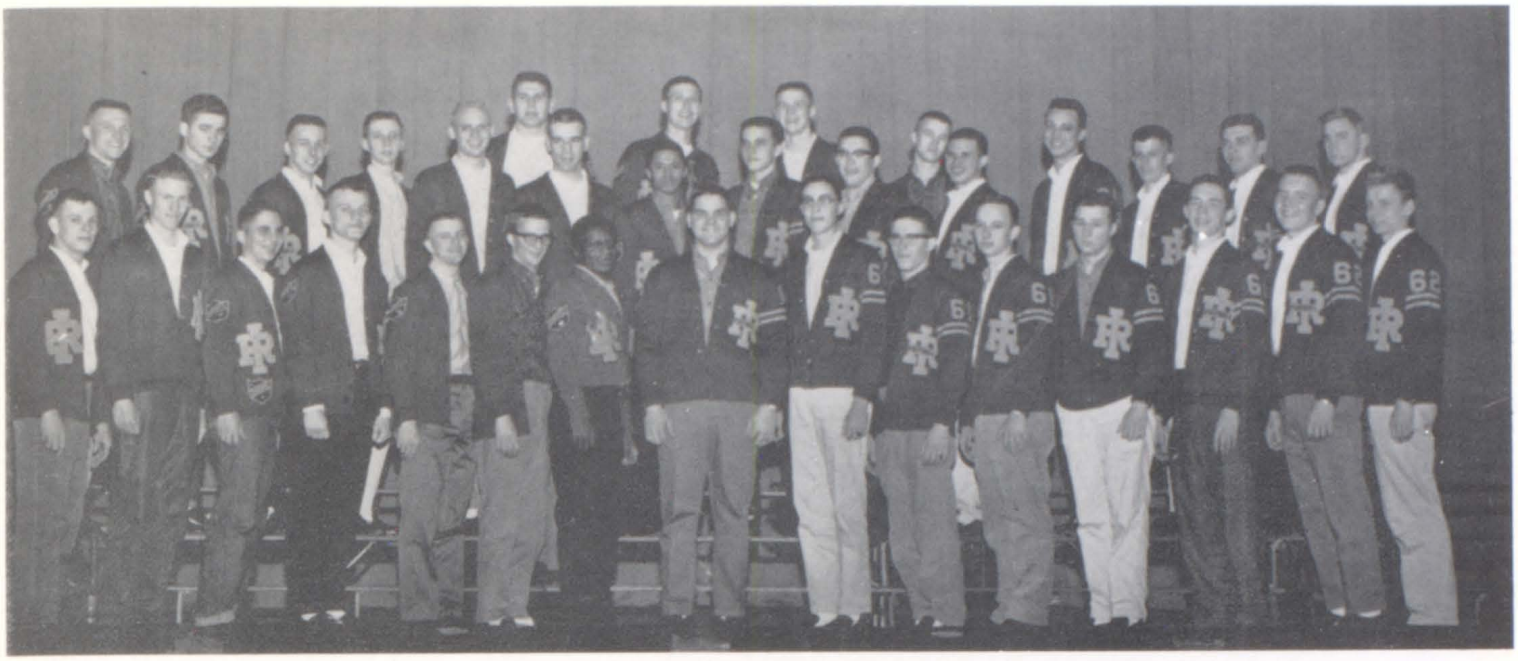

To qualify for membership in the Lettermen's Club, one must earn a major letter in one of the following sports: football, cross-country, basketball, swimming, wrestling, track, tennis, golf, or swimming.

Under the direction of H. V. Almquist, the Lettermen sponsored the annual Faculty-Lettermen basketball game and their Varsity Show. They assisted with the junior high track meets held in the stadium. The proceeds from these events were used to further Rock Island High School's athletic program and for contributions to many charitable organizations.

To keep with tradition the Lettermen wore their red sweaters every Friday. Throughout the year they promoted good school spirit and sportsmanship which is necessary to successful athletic programs.

SPORTSMANSHIP, SPIRIT PROVIDED BY PEP CLUB

Sponsored by Miss Chambers, the Pep Club plays a vital part at the high school's athletic events. During the Football season a section is reserved for the members. WELCOME cards are held for visiting teams and Pom Poms are waved for the home team.

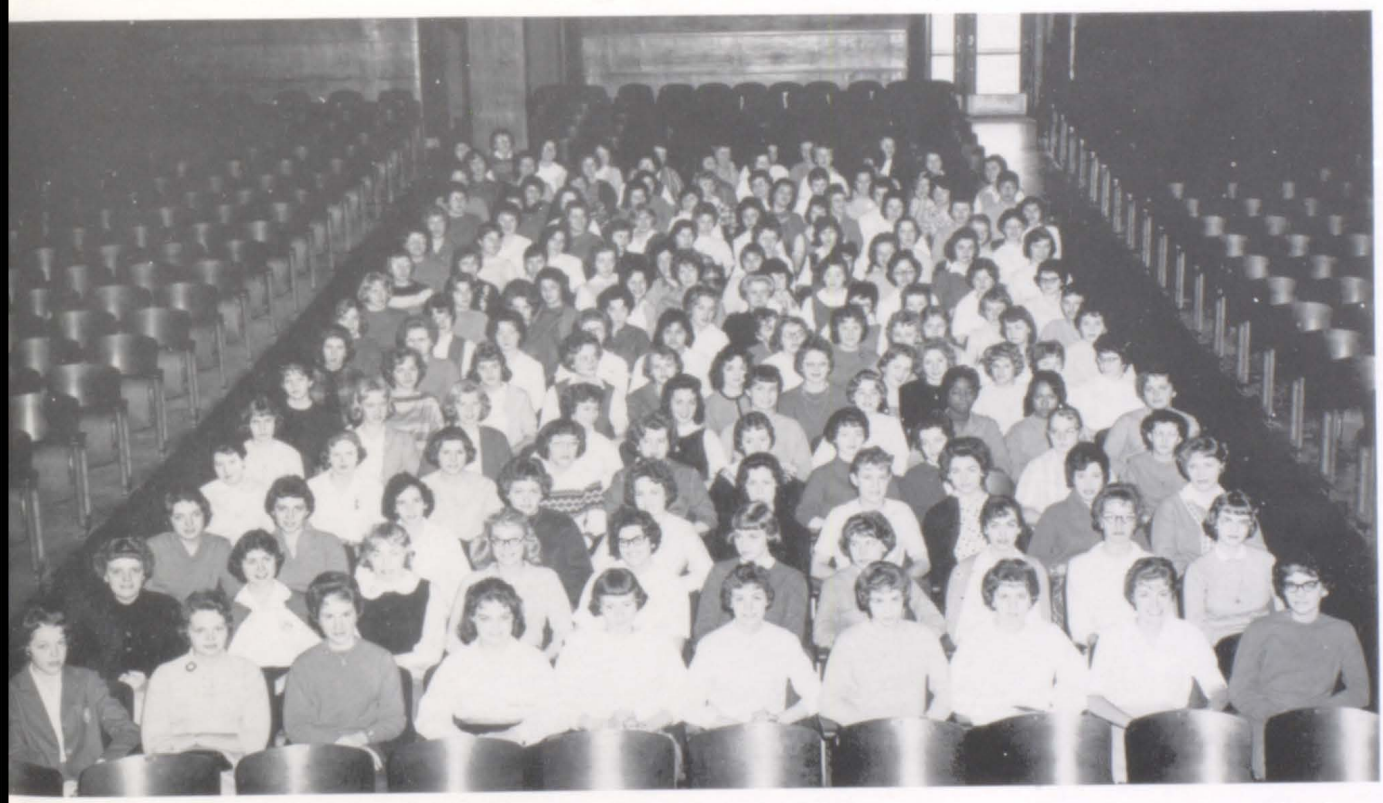

The basketball season finds the Pep club busiest. They must wear white blouses and their pep club beanies for every home game if they wish to sit in the special section. At their monthly meetings they learn new cheers from the cheerleaders and some of the rules of sports from high school coaches.

. . . ACTIVITIES

Royalty chosen by Rocky students hold the spotlight at the 1960 Homecoming festivity.

HOMECOMING SPREADS SCHOOL SPIRIT

The theme, Pumpkin Paradise, laid the scene for a perfect climax to the Homecoming.

On the morning of October 28th, students of Rocky took their seats in the auditorium to watch the crowning of the 1960 Royalty. The Homecoming Queen, Linda Moore, was crowned by the President of the Senate, Pete Gartelos, and she and her royal court were seated on the stage. Gifts and entertainment were then presented to the Royalty.

Later in the afternoon, school was dismissed early for the downtown parade, during which four floats were selected as finalists to be paraded in the stadium at the half time of the game.

After an exciting game, the team, as commanded by the queen, won a victory for the school. The victory was celebrated in the Girls' Gym with a dance, for which G.A.A. provided the decorations and Carroll Baker provided the music.

During the week of October 28th, Rocky students were busy adding the finishing touches to the 1960 homecoming festivities.

Senates and activities completed their floats for the downtown parade. Radio club planned the assembly for the crowning of Queen Linda and her court. G.A.A. girls decorated the gym for the dance with the theme "Pumpkin Paradise."

All efforts combined to intensify the the homecoming spirit.

It was hard to decide among so many appropriate floats, but the judges came up with a first for this entry from Mrs. Brent's Northwest Gym Senate; Mr. Symons, Activity Room; and room 300, Mr. Franck.

Perfect weather, plenty of pep and a beauteous queen all aided in making the parade a "best ever" event.

Rocky's powerful eleven carried out the queen's one demand, "win that game", as she and her court look on.

EXCHANGE ASSEMBLIES, CONCERTS, CAROLING HIGHLIGHT SENIOR GLEE

Under the direction of Murray J. Osborn, the seventy-six voice Rock Island Senior Glee Club meets one period a day to rehearse their various programs. The planning of these programs is carried on by the club's four officers.

Chosen from members of the Glee Club, groups such as the Girls' Trio, the Boys' Quartet, and the sixteen-voice Chamber Choir add variety to the chorus and its programs. This year, as is the tradition, the Glee Club presented Rocky's exchange assemblies and participated in various R.I.H.S. assemblies. They also presented their annual Christmas Concert and sang carols in the halls. In the spring the Glee Club entertained at its Spring Concert.

GIRLS' GLEE CLUB

Girls' Glee is a class open to all junior and senior girls interested in music. Their director, Murray Osborn, trains the girls' voices. During their class period they sing the scales, read musical notes, study phonetics, and practice breath control. They display what they have learned at the Christmas and spring concerts and in some school assemblies. Joining with the Senior Glee Club, they participate in the traditional caroling in the halls at Christmas time.

Gathering around the piano to discuss the newest activities of their club are Girls' Glee officers, Molly Jacobs, **President;** Jacquelyn Tomberger, **Secretary;** Patricia Smith, **Treasurer;** and Gay Gray, **Vice-President.**

Forming the governing center of the student body is the Rock Island High School Senate, composed of representatives elected from each homeroom. Sponsoring the sixty-three member Senate is Principal Charles O. Austin, Jr.

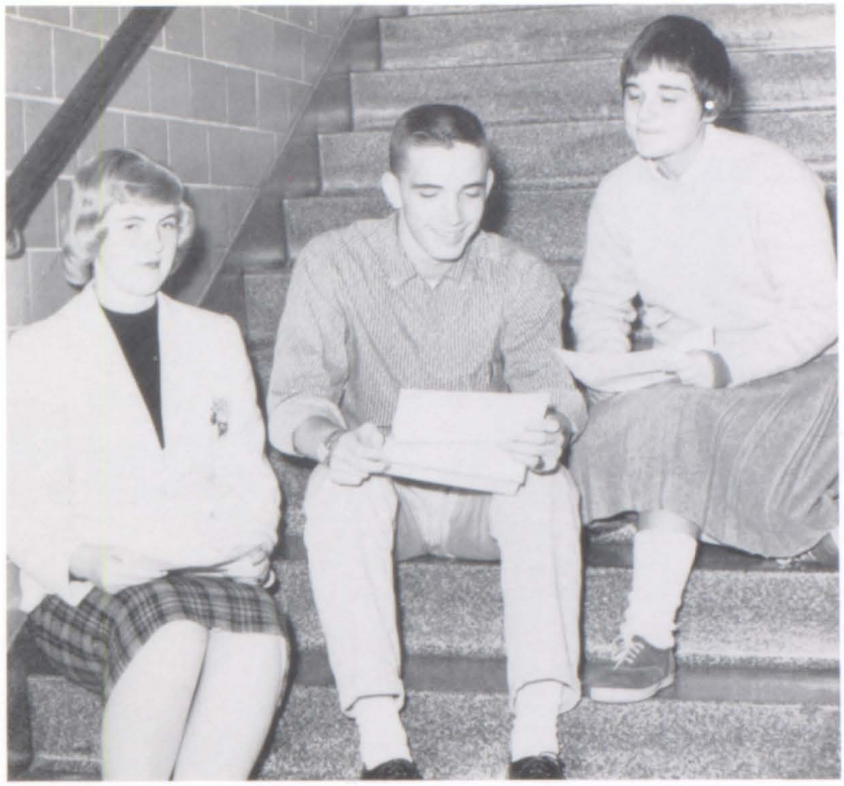

Meeting every Thursday, the Senate provides a place where the opinions and views of the students can be voiced. Through these discussions, motions, and ideas, the Senate builds a strong foundation upon which the school policies are based.

SENATE FORMS GOVERNING NUCLEUS OF STUDENT

This year's A.F.S. committee consists of Wolfgang Sieberer, David Beeman, Linda Schuster, Fred Lue, Pamela Buller, Virginia Cale, Donna Hinds, Jane Kramer, Maryann Ruud, Anne Marie Malé, Bill Paul, and Lois Johnson.

Senators, through committees, handle the responsibilities of choosing varsity and sophomore cheerleaders, supervising the student lounge and operating the pop machines, decorating the goal posts, and planning future assembly programs. The task of upholding the fund-raising drives such as the March of Dimes is also delegated to the Senate. In addition to this, the fund raising for the American Field Service foreign exchange student program is under the supervision of the Senate.

Planning for next year's assemblies are members of the Senate assembly-planning committee; Kay Anderson, Mike Peterson and Barbara Zeffren.

The topic for debate is chosen every year by a national board. Over 30,000 schools in the United States debate the same resolution, which this year was — "Resolved: That the United Nations should be significantly strengthened." Under the sponsorship of Mr. P. J. Martin, the debaters met every day fourth period and after school where they learned the three R's: reasoning, research, and recitation. The two returning varsity debaters this year were Steven Baxter and William Tyler. There was a total of seventeen debaters. The team participates in ten debates in northwestern Illinois.

STUDENT OPTIMISTS LEARN CIVIC DUTIES

Student Optimists meets once a month at the Y.M.C.A. This club is composed of junior and senior boys chosen by Mr. Burch, sponsor of the club, who is assisted by the holdover members from the previous year. The club also has members from Alleman. Each meeting a different chairman presides, and another member is responsible for getting the after dinner speaker.

The two main activities of the club are ushering at the annual "Holiday of Ice" and attending one basketball game at the University of Iowa.

JUNIOR ROTARIANS ARE CHOSEN BY FACULTY

Junior Rotarians are chosen by the faculty at the beginning of each semester, two for each month. Totaling eighteen, these senior boys are selected on the basis of scholarship, leadership, and contributions to Rocky.

The Junior Rotarians and Mr. Austin, principal meet every Tuesday noon with the Senior Rotarian club. At these meetings they experience participation in civic affairs.

The Junior Rotarians gather in the auditorium. **Standing in the first row, left to right:** Donald Kruzan, Ronald Morrison. **Second Row:** Thomas Dickman, Randall Morrison, Steven Kemenyffy. **Third Row:** Peter Bohn, Michael Denoma, Steven Baxter. **Fourth Row:** Alan Blitz. **Fifth Row:** Bruce DeLugish, Gregg Wahlstrom, Thomas Thomas. **Sixth Row:** Peter Gartelos, Robert White, Jon Hayes, Thomas Johnson. **Seventh Row:** Larry Shriver, and Charles Scott.

INTO NATIONAL HONOR SOCIETY

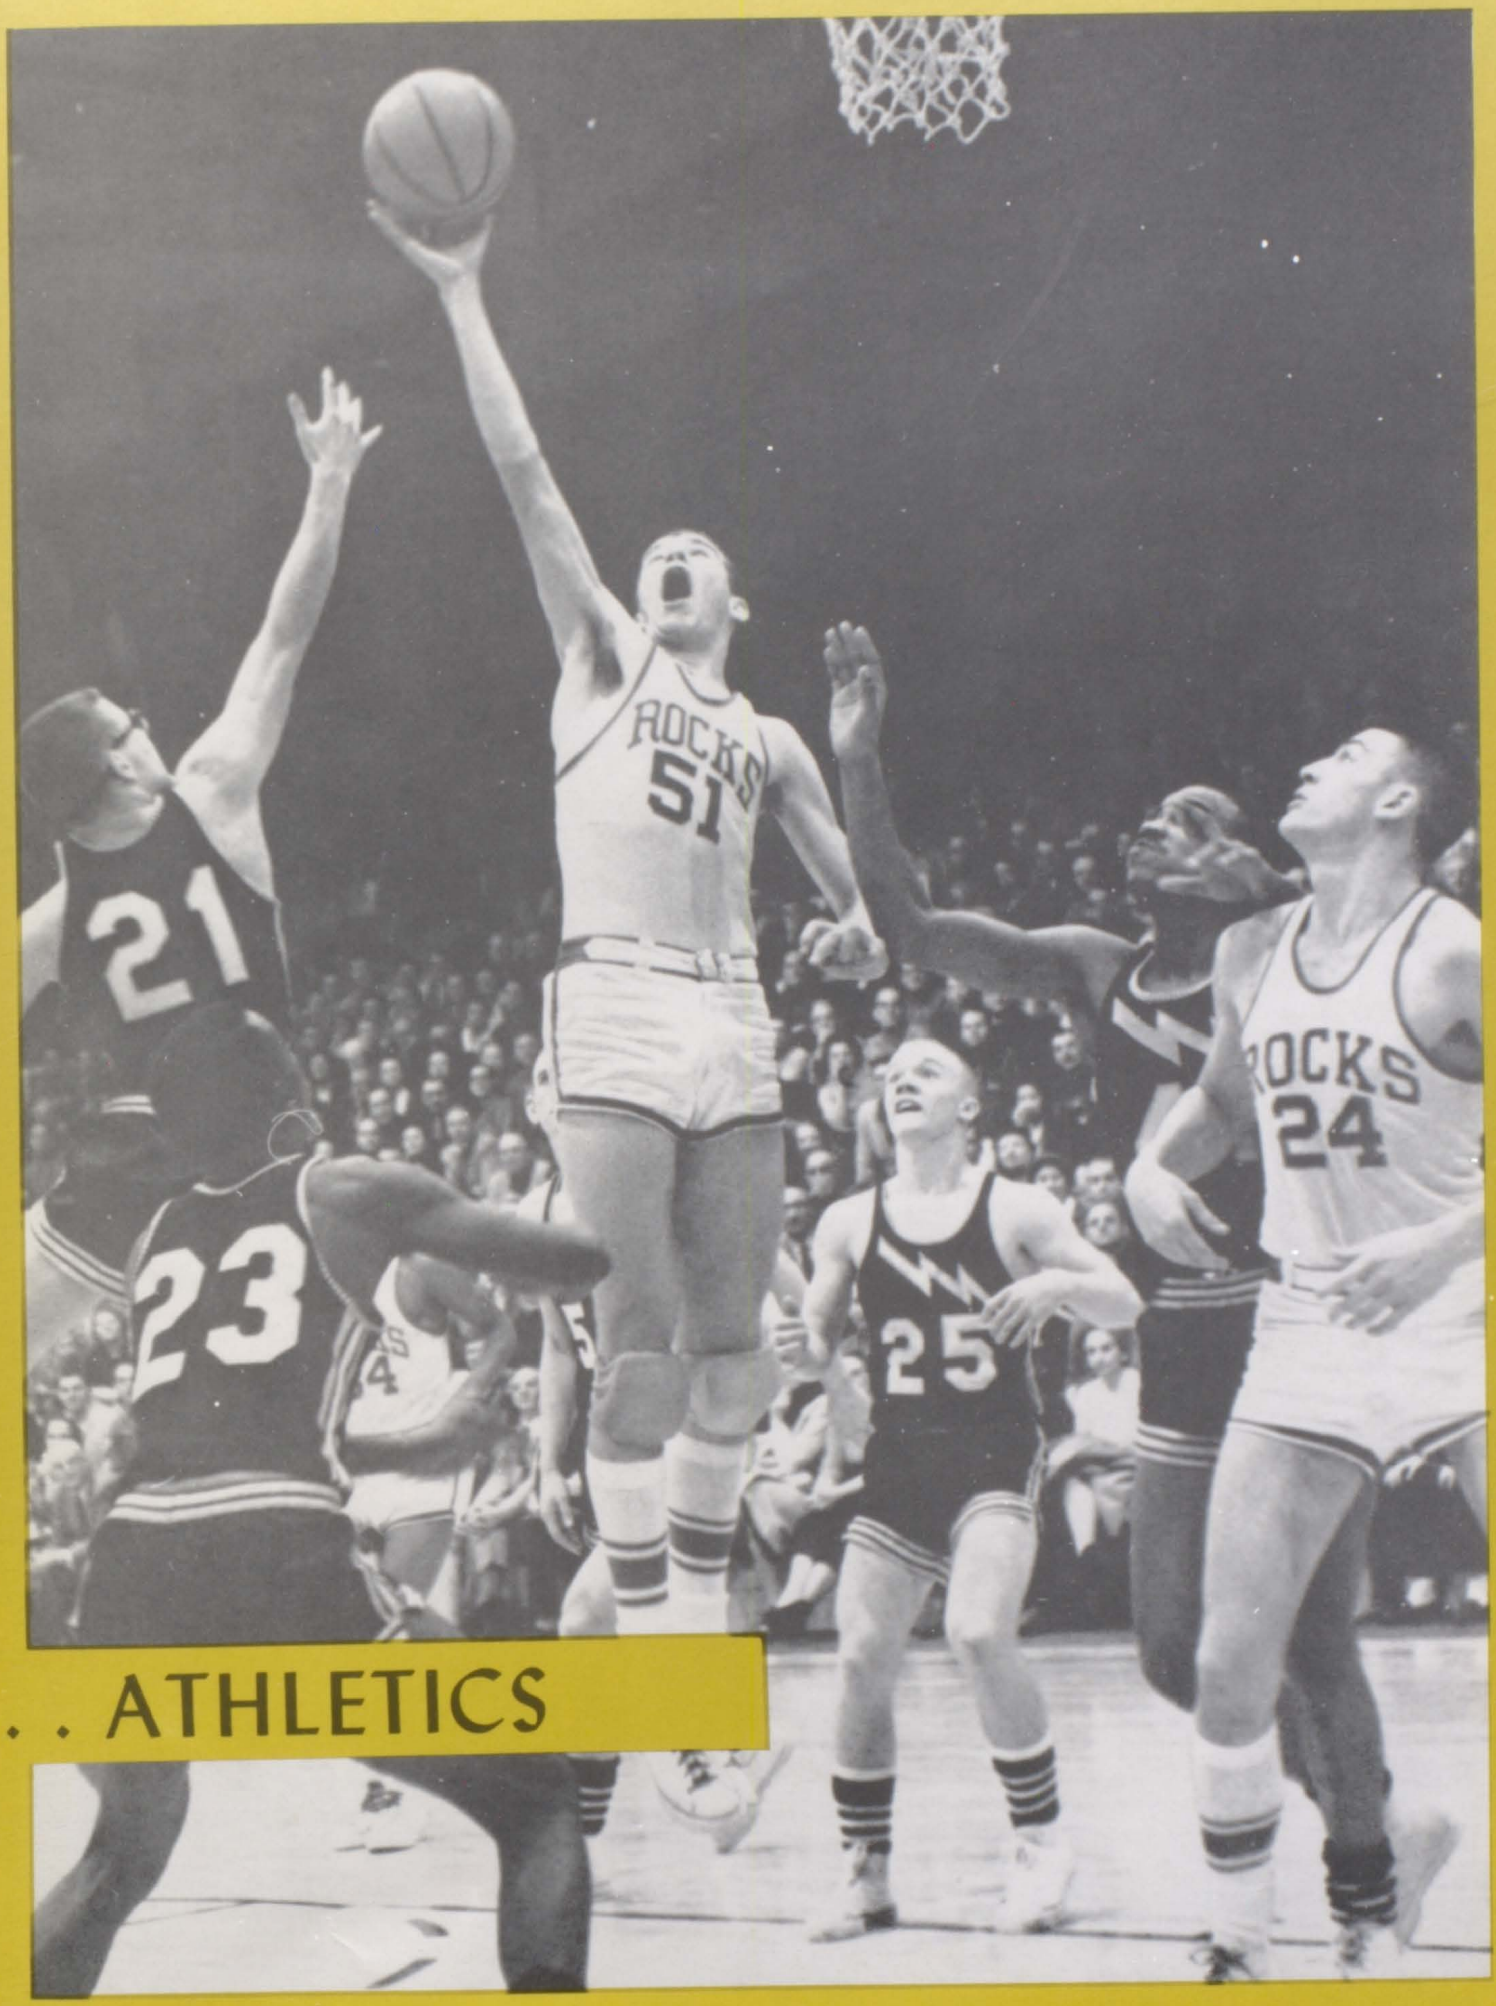

One of the greatest honors at Rocky is membership in the National Honor Society. This year there are sixty-six senior boys and girls. They include the class's valedictorian, salutatorian, "Top Ten", and top five per cent which were announced at the beginning of the senior year.

The National Honor Society includes both the automatic members with grade points above 92 and those elected to membership by their classmates and the faculty. All deserve the fine honor of being members.

The characteristic of a National Honor Society member is an inquiring mind. Coupled with this is an eagerness and a willingness to learn. These members however shine not only in scholarship, they also rate high in leadership, service, and character.

Head coach H. V. "Shorty" Almquist made his twentieth year at Rock Island High one of his best, finishing the year with a 9-0 record and his 198th coaching victory under his belt.

Opening the year with a team pegged as "a good smart squad, with backfield speed, good passing and catching, a solid line and only moderate size," the Rocks pulled a slight upset by dropping Iowa City 28-26 on a 54-yard pass play from Larry Shriver to Tommy Thomas with only one second left to go, and set the victory trend that continued all the way through the 1960 grid season.

ROCKS END GRID SEASON WITH PERFECT SLATE; WIN M.V.C. AND QUAD-CITY LOOP CROWNS

All season long the Rocks were noted for their rugged defense, and lineman Bill Ziel shows how this was accomplished as he prepares to brush aside two imaginary opponents and rush in to tackle the enemy ball carrier.

Although the Rocks had comparatively few great individual standouts in the Conference statistical races, this one was a team that always seemed to have the right answer at the right time. Following their last-second upset of Iowa City, the Islanders carried the role of conference favorites through the following eight games, and each week right up to the finish had to use thir complete bag of tricks. One of the outstanding things about the 1960 edition of the Rocks was its near perfect balance, giving Coach Almquist the ability to substitute at almost any position and see the substitute play almost as well as the starter.

Primarily a rebuilding season, the '60 - '61 slate of the Varsity Wrestling squad showed six wins against eight losses. With only two returning lettermen in the lineup, the Rocks rounded out the team by utilizing several underclassmen. The value of this process will be realized in future seasons. However, 95 pound sophomore Jim Carroll emerged top man in the win-loss column with 21 wins, 5 losses. Seniors Clark Graham and John Christensen also showed impressive records.

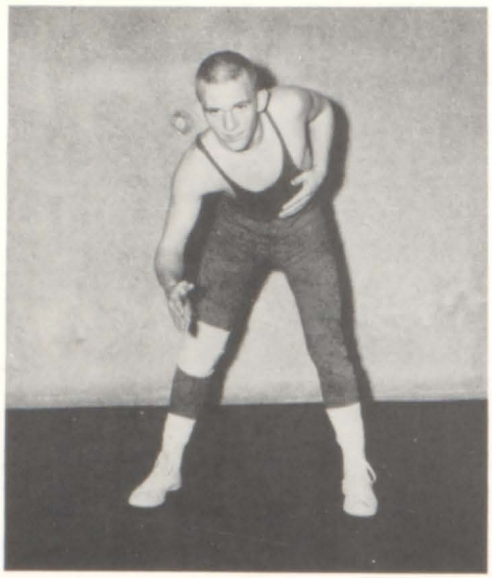

Rock Island advanced five grapplers to the Sectional after placing fifth in the Rock Island District. From this group, Senior Tom Miller and Carroll made the trip to the state finals at Champaign.

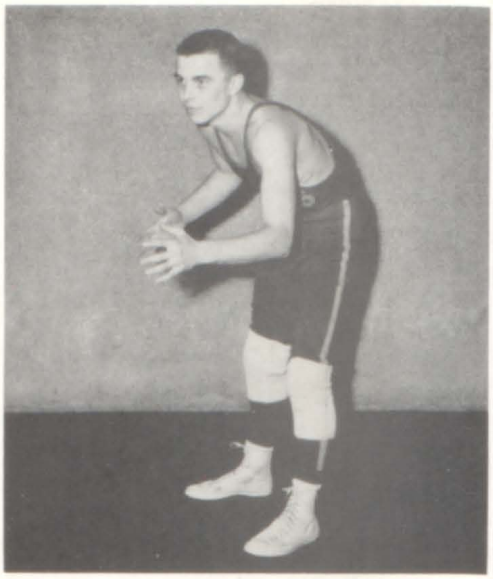

Corky Graham struggles for a take down at one of the Rock's home dual meets.

Led by Mike Denoma's 20.4 point average, the Rocks' main problem throughout the year was finding consistent scorers to back him up. Coach Bob Riley had one of the area's leading rebounders in 6' 4" senior Ken "Moose" Maranda, and junior Steve Sullivan gave added support at the other forward spot.

The Rock Island back-court combination of senior, Jon Hayes, and junior, Ron Teague, was one of the smallest in the league, but more than made up for lack of size by making use of their speed to steal passes and set up the Islander's feared fast-break. Both guards could be counted on to add to the Rocks' point totals, and Teague hit for 32 points in the second Alleman game.

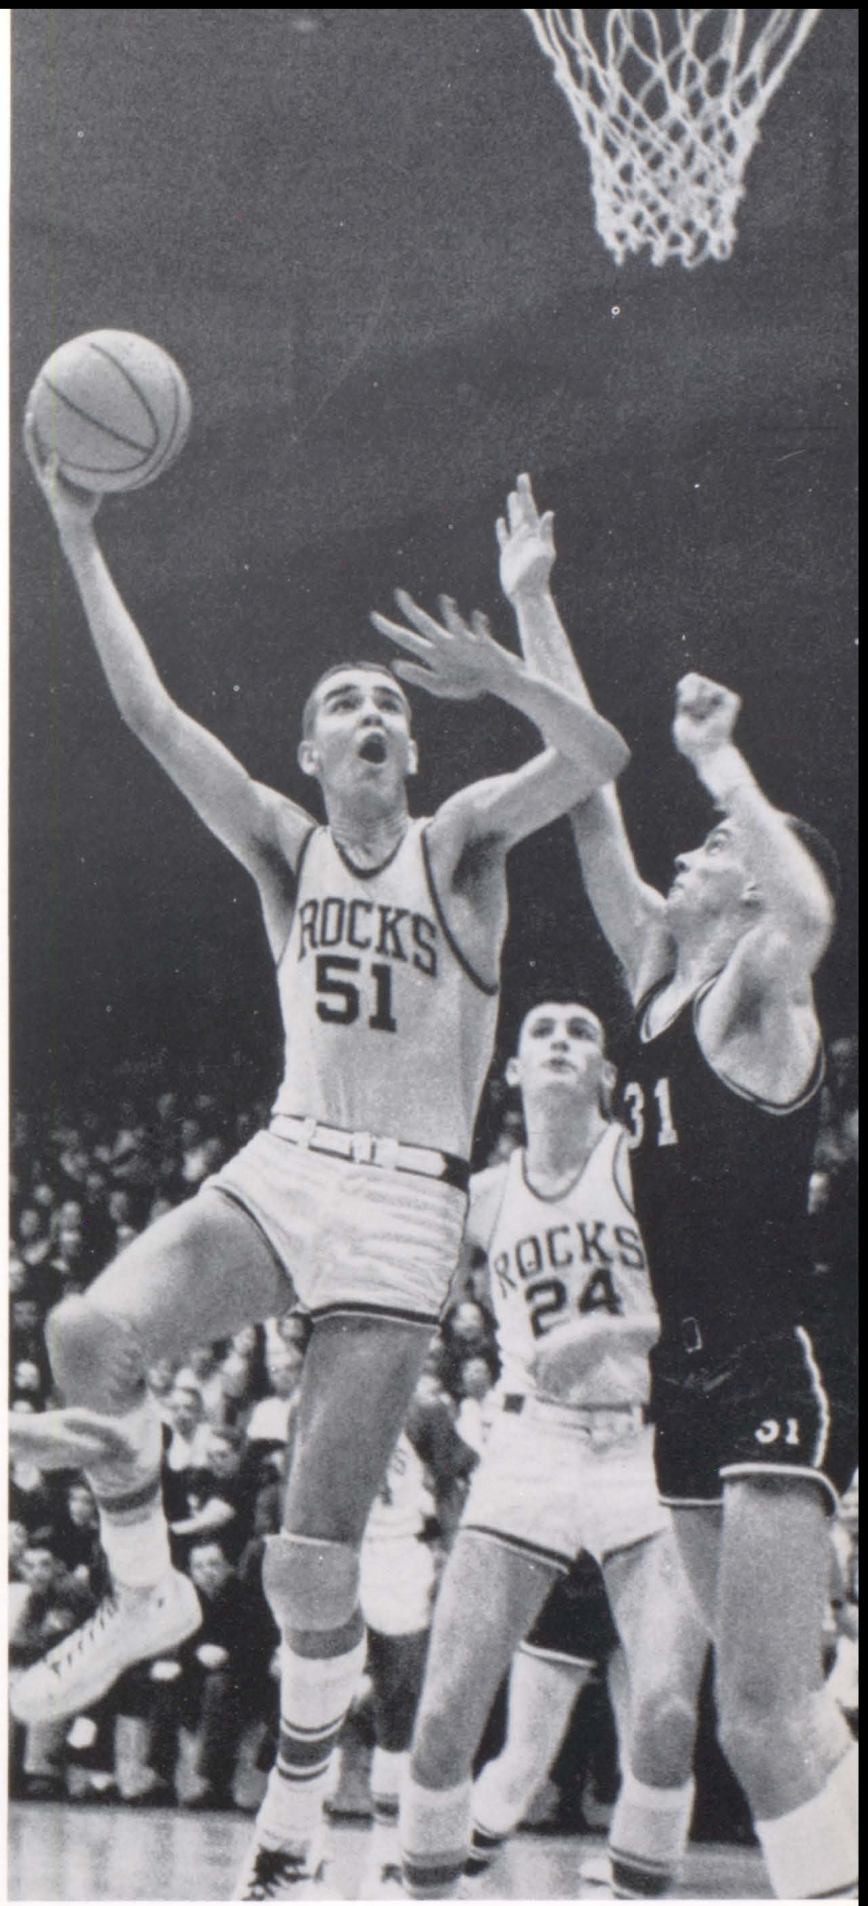

The Rocks' bench, although weakened by a severe lack of experienced players, was able to fill in when needed. Ron Zbleski filled in at center when Denoma was injured in a Christmas vacation accident, and Ron Morrison, Rich Stout, and Jerry Harvey were able to help when called upon. Two sophomores, Louis Kaiser and Ken Cowan, also played some Varsity ball and will be a big help next year.

Mike Denoma (51) and Steve Sullivan dominated rebounding during an early season game with Washington of Cedar Rapids.

The '60 - '61 Islander basketball team finished in a tie for second place in the Mississippi Valley Conference. Climaxing a year that they started with no proven players, they advanced to the regional finals before being eliminated by a strong Moline team.

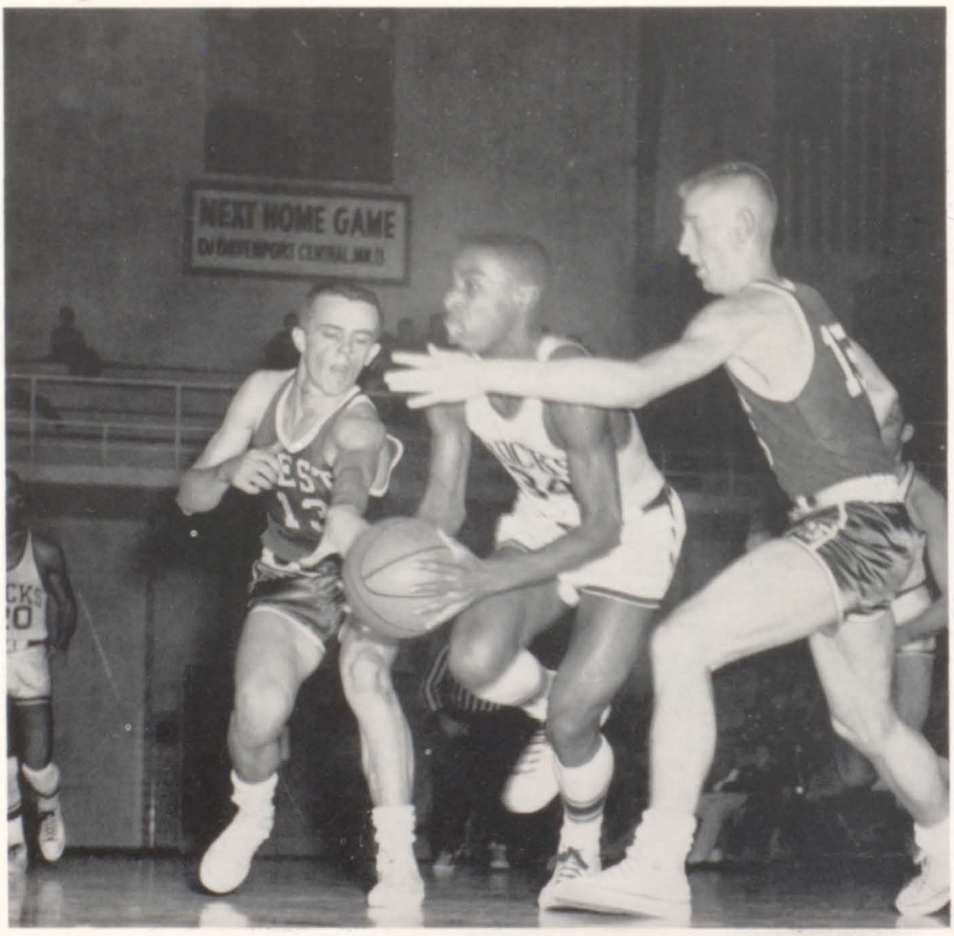

Although the Rocks lost eight of the ten members of last year's tournament team through graduation, they were able to end the year with a 14 - 9 record, and the outlook for next year is extremely bright.

SOPHOMORES ADVANCE TO VARSITY

Coach Ed Fleener's Pebbles raced to third place in the M.V.C., and duplicated that spot in the Quad-City Conference. The "little Rocks" averaged 52 points per game while holding their opposition to 46.6 points.

Tops in the scoring column was 6' 4" Ken Cowan. Cowan amassed 274 markers for a 13.1 average and also captured the highest number of rebounds. The ball-hawking tactics of guards Terry Buckwalter and Mike Vandine, and forward Louis Kaiser were highly regarded.

The Pebbles should provide a welcome addition to next year's Varsity squad along with several Varsity letterman returnees.

CROSS-COUNTRY TEAM FINISHES TENTH IN DISTRICT MEET

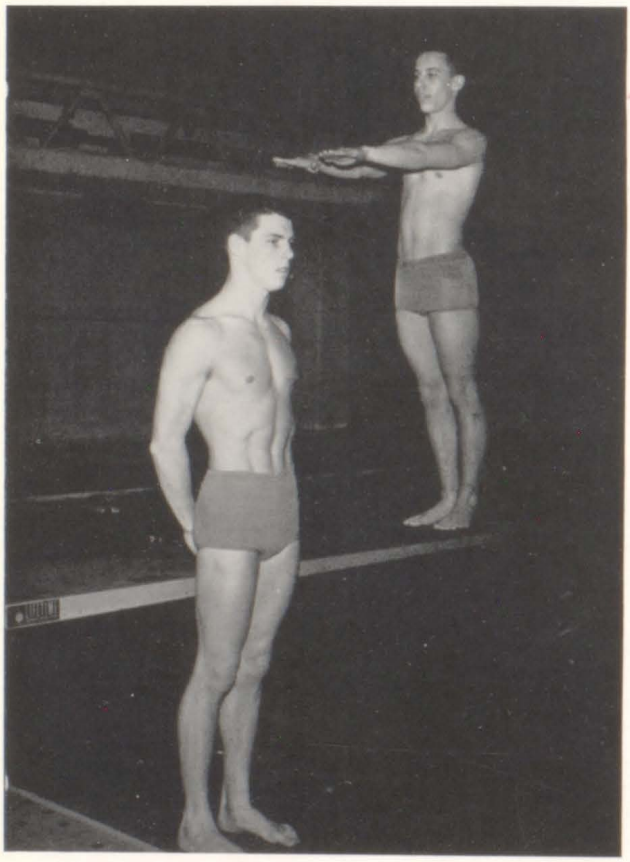

Cross-countryman Rich Gaylord strains in an effort to cut those extra seconds off his time.

The outlook for the Rock Island cross-country team is extremely bright next year with all of the top ten runners returning with a year of competition behind them. Coach Wilbur "Strings" Allen's roadsters are expected to end the dismal showings exhibited in recent years and could conceivably cop the conference crown. Leading runners include Mike Peterson, Richard Gaylord, John Coolidge, and Dave Fenton.

SWIMMERS COMPILE 8-4 DUAL MEET

Bill Dunbar and Walt Wise, who placed second and seventh respectively in the state meet, lead the Islanders in conference diving competition.

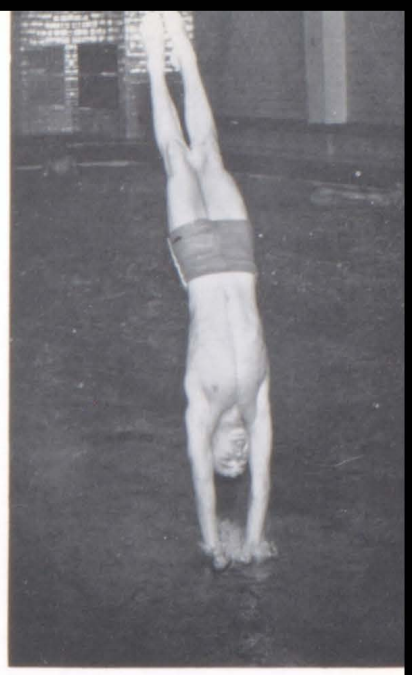

The Rock Island swimming squad, in its second year of competition, splashed to its first winning season by reversing last year's mark of 4-8 and rewriting the team record book. Turning in outstanding performances which bettered the team records set last year were sophomore Gary Schuster in the 50 yard freestyle, 100 yard butterfly, and the 100 yard backstroke; and Mike Peterson's conference record in the 200 yard freestyle, and a team record in the 100 yard freestyle. Bill Dunbar and Walt Wise led the Islanders in the diving competition and placed second and seventh respectively in the state meet.

The freestyle relay team of Steve Urie, Mike Peterson, Gary Schuster, and Bill Dunbar placed second in the conference and third in the district meet. Dane Cook, Doug Crawford, Steve Nesseler and Ken Nelson also turned in good performances for the Islanders.

Sam Chilton's Islanders turned in a highly successful season, and with the nucleus of the squad returning next year they are expected to be a top contender in the conference.

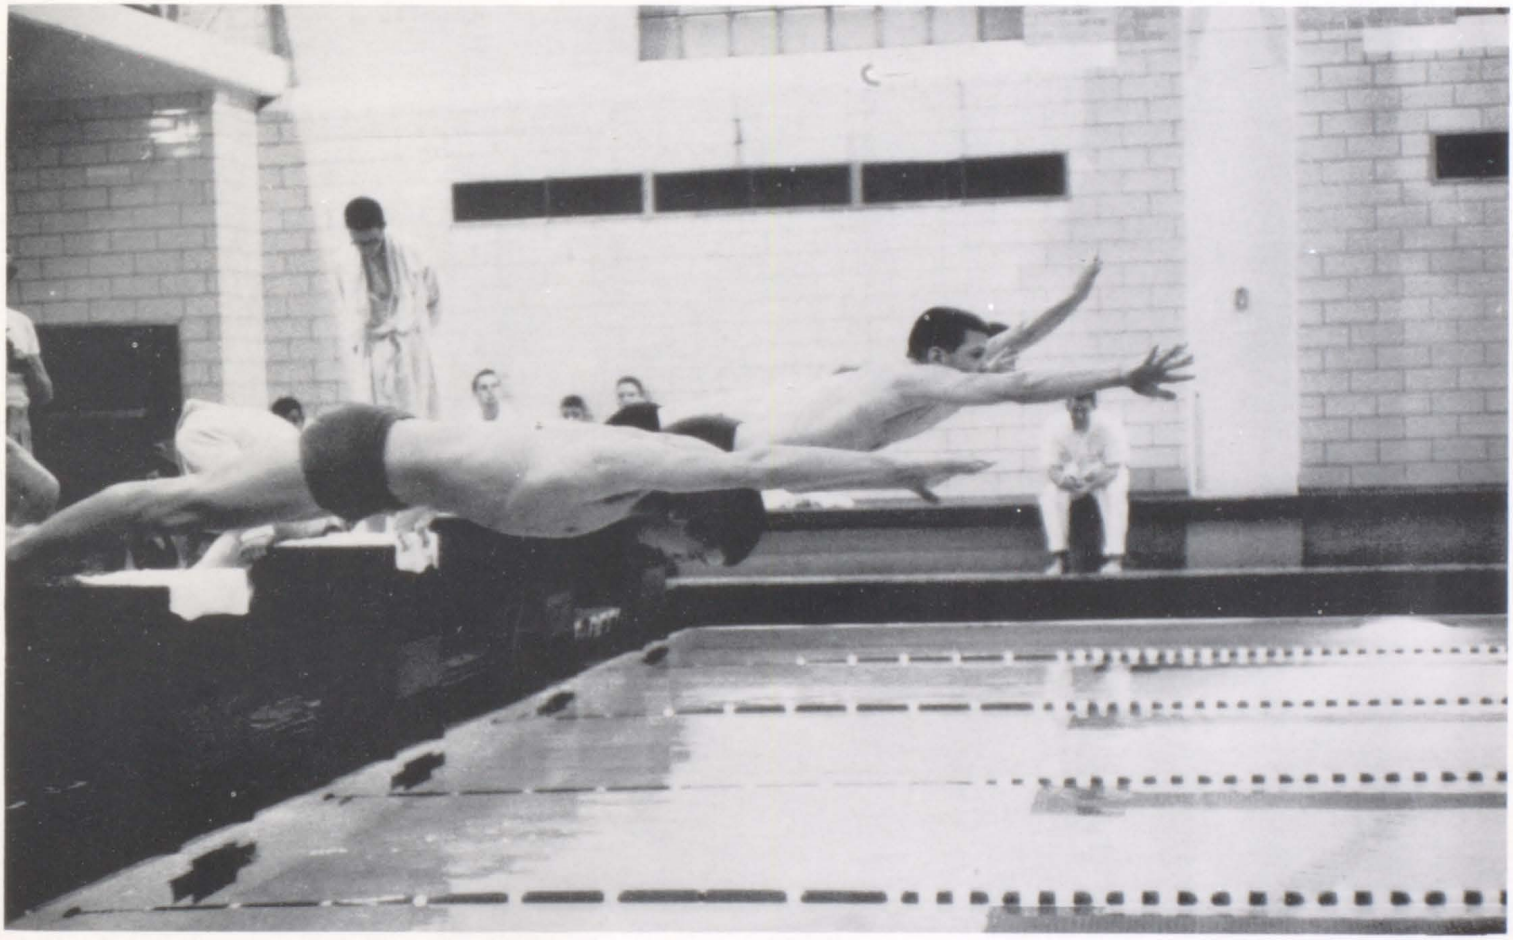

The Islander's 200 yard freestyle relay team of Steve Urie, Mike Peterson, Gary Schuster, and Bill Dunbar placed 10th in the state meet and will return next year to lead the Islander attack.

The 1960 Rock Island track team is one that can be potentially great. Loaded with hold-overs from last year's squad the Rock thinclads have a very good chance of placing high in conference and state competition.

One of the many outstanding lettermen returning from last year's team is Tom Thomas, shown at **right** with head track coach Hod Lundeen. Thomas was the state champion in the 440 yard dash in 1960 and is given a good chance to repeat this year.

Other fine prospects include dashmen Bill Banks, Jon Hayes, and Bob White; hurdlers Dick Cummings, Jerry Twitty, Marion Whitely, and Terry Baltzer; high jumpers Mike Bisby and Jeff Tyler; shot putters Mike Stewart and Dave Beeman, and pole vaulter John Schmact.

The Rock Island tennis team finished fall competition with a remarkable record. They swept Quad-City honors by defeating all teams twice, and by a score of 9-0 in every instance except one. In the Quad-City meet Rock Island players captured the first place spot in every singles division, with Tom Johnson as number one, Gene Utke, two, John Fox, three, and Neal Peterson, four. The combination of Utke and Peterson also finished first in doubles competition.

The Spring schedule includes all Mississippi Valley Conference members, as well as non-conference meets with teams such as Evanston, last year's state champions.

Right: Coach Bob Motz tells senior lettermen Tom Johnson and John Fox of plans for the spring season.

Under the direction of Mary Brent, the Rock Island High School girls' "racket squad" won the Quad-Cities doubles championship for the fall season and placed second in Quad-Cities standings. The championship will not be determined until after the spring season is completed. Out of a total twenty-eight eligible players, seventeen girls participated in the actual games during the season. The tennis team included ten varsity players and seven on the B-squad.

The players who occupy the top four places on the squad are pictured with their coach Mrs. Brent. They are Anne Marie Male, Sue Priebbe, Sherrie Dunham, and Karen Haberthur.

Members of the girls' tennis team are: **kneeling,** Corinne Beverlin, Patsy Johnson, Cindy Johnson, Karen Haberthur, Isabel Matteson, Alberta Tolson. **Standing:** Phyllis Shenneman, Sherrie Dunham, Suzanne Priebbe, Mrs. Brent, Karen Miller, Sandy Stoit, Ann Wahlstrom.

The Rock Island Golf team faces the coming year with the thought of continued rebuilding, following the loss of a number of its leading golfers through graduation last year. The future is not entirely gloomy, however, for the fall squad was dominated by sophomores and juniors who can be expected to return the Rocks to contention for the Quad-City crown next year. Birkeland, Wise, and Crawford were among thoes showing exceptional promise.

EXPERIENCED BASEBALL SQUAD FACES TOUGH SLATE

The Rock Island baseball team, a squad of experience and ability, opened its season with 5 returning lettermen. Last season, coach Carl Aronson enjoyed his first winning season in recent years and hopes to improve on last year's record of 9-5.

The Rocks attack is based on infielders Bill Bethurem, Dave Roberts and Ron Martin, catcher Tom MacBeth and pitcher Vern Glisan, who were all starters last season. Jack Yeocum, Doug Crawford, and Kent Baker also add some experience to the team.

The Rocks main weak point is their pitching staff with only one experienced letterman. However, if the Rocks can develope some pitching, they will be in contention for conference honors.
